Mellen Wisconsin

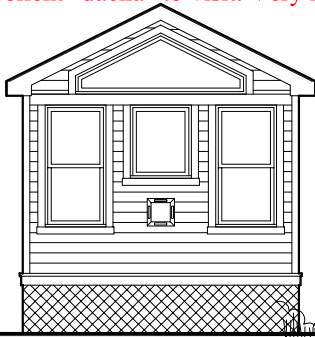

Shoreline - 11'-4" x 35'-0" (Custom)

This owner designed home utilizes the numerous windows to take advantage of the lakefront site upon which it sits. This home away from home offers a dual zone Mitsubishi Mr. Slim Heat Pump, stackable washer and dryer, a spacious bedroom that doubles as an office and a unique entryway that can be separated from the rest of the home. The many customer designed features of this home, along with their décor choices make this an excellent "dacha" to visit. Very nicely done.
