Indian Shores

Grand View Loft - 11'-6" x 35'-0" (Custom)
 Our first Grand View Loft model that was completely designed by the owners. This model has created much interest with its king sized bedroom and inviting center stairway. Generous cabinets with full size appliances put you quickly at ease when preparing meals. A dual Mitsubishi heat pump provides extremely quiet heat and air conditioning, while filtering out pollen and other air borne contaminants. The extra tall loft features additional carpet padding, and extensive windows that allow light and ventilation into an already spacious loft.
