## CONCEPT PLAN 102

**\*\*2010\*\***

This concept home can accommodate 4 to 6 guests comfortably. Need more space? With the optional Bunk Room it can sleep 6 to 8...

Ample wardrobes with built-in dressers make sure storage is abundant for the extended stay guests. The combo living/dining with it's bay window is just the right size for entertaining, playing cards or just enjoying a home cooked meal from the well appointed kitchen. With a "ton" of cabinets, plenty of counter space and a well stocked pantry, those meals are going to be well enjoyed by family and friends.

All that in 400 square feet of living space. Give us a call and see what we can do for your recreational needs.
